

AUSTIN REPUBLICAN WOMEN

August 2011

Volume 3, Number 5

Dear ARW Members,

I hope everyone is having a fun and relaxing summer. After the intensity of the 2010 campaign season and the high level of citizen activism during the 2011 Texas legislative session, it was nice to take a bit of a breather. I hope you're enjoying it and resting up for 2012.

Speaking of 2012, the new district maps have been redrawn and now is the time to look at which candidates have announced to run for office in your area. There has been a lot of shuffling around in the candidate list for US Senate and certainly the race for the new Congressional District 25 is shaping up to be an interesting one. And do I even need to mention the long list of Republican presidential nominees? A certain Texas governor seems to be getting quite a bit of attention!

Certainly 2012 will be another game changer and I doubt I need to encourage you to get involved again this year. But there are two things I will highly encourage you to consider doing now.

The nominating committee is looking for members to be on the 2012 ARW Board. Many people I talk with about being on the Board say that they don't have enough experience in politics, or aren't computer savvy, or are working full time, etc. and these are the reasons why they don't think they should volunteer for this. Let me reassure you, while there is some time commitment to being on the board, these positions are very rewarding and you don't need prior experience to apply. Please consider volunteering your time to help out your Austin Republican Women's club.

Another important way you can get involved is attending the Texas Federation of Republican Women Convention in Ft. Worth on November 18 – 20. ARW is the recipient (again!) of the prestigious Diamond Award in recognition of club excellence and there will be many exciting events happening at the Convention. ARW is allowed 14 delegates and 14 alternate delegates to the convention. Please sign up to be one of them!

Looking forward to seeing everyone at the September 8th meeting. Enjoy the rest of your summer!

Kim Chambers
2011 ARW President

Senator Kay Bailey Hutchison's retirement leaves an open Senate seat in 2012. This is a very important Republican seat, and your vote in the Primary will be critical. Bring friends, neighbors and husbands. Everyone interested in this race will find this forum interesting.

ARW Legislative Update

2011 Proposed Texas Constitutional Amendments

Texans will vote on 10 new proposed amendments to the Texas Constitution this November. Each of the proposed amendments has already been approved by the Texas House and Senate, but must be approved by a majority of voters to be implemented.

Please visit <http://www.texastribune.org/texas-legislature/82nd-legislative-session/tx-voters-will-consider-10-constitutional-changes/> or <http://www.sos.state.tx.us/about/newsreleases/2011/071311.shtml> to learn more about these amendments. See you at the polls!

TFRW Legislative Update

By Barbara Larson, TFRW VP of Legislation

The Federal Government is discussing two issues that will clearly affect all of us - ending the VISA Lottery for immigration and increasing the debt ceiling. Due to my deadline, I have to write this report before either issue is resolved. No doubt you will be hearing about the debt ceiling negotiations from our media, but there will not be as much information on the VISA Lottery bill. I have given you a web-site where you can check this information.

VISA Lottery Bill - H.R. 704

This bill would end the practice of randomly selecting 50,000 individuals from countries that are not always necessarily friendly towards us. Please call your House Member and ask them to vote for this bill. A great web site to go to for information on immigration is www.numbersUSA.com.

Debt Ceiling

Currently, the White House and our Congress are engaged in negotiations whether to raise the debt ceiling. In order for Congress to agree to take this course of action, they want spending cuts in order to begin to reduce our horrific, crippling debt. Our liberals in the White House want us to raise taxes. Stay tuned.

Texas Special Session

CSSB 1 (The Committee Substitute Bill for SB 1). This bill was passed by both the House and Senate and sent to the Governor on June 29, 2011. This bill is a very comprehensive financial bill providing allocations for educational funding and provisions for business taxes.

SB 2 This bill directs how the money for the operation of state will be spent. This bill was sent to the Governor on July 6, 2011.

SB 3 dealing with the Texas Windstorm Insurance was left in committee.

SB 4 changes the Congressional Districts in Texas. TFRW has formed a committee to change our geographical structure as a result of these changes. More information on this will be provided by TFRW.

SB 5 on the Interstate Health Care Compact was left in committee.

SB 6 was sent to the Governor on June 28, 2011. This bill provides for the educational materials in our schools.

SB 7 provides changes on the manner in which the Texas Medicaid program will operate. This bill was sent to the Governor on June 28, 2011.

SB 8 provides flexibility for the Board of Trustees to operate a school district. Proponents of local control are very supportive of this bill. The bill was sent to the Governor on June 28, 2011.

SB 9 was left pending in committee to the great disappointment of many. If passed, this bill would have put an end to sanctuary cities.

Governor Signs Bills Important to Barnett Shale Governor Rick Perry signed HB 3328 which was passed in the regular session. This legislation co-sponsored by State Senator Jane Nelson, R-Flower Mound, requires public disclosure of the chemicals used in hydraulic fracturing.

Former TFRW president, Toni Anne Dashielle, won this award in 2009. It is an honor and recognition of the great work done in all the TFRW clubs for Texas to be in the finalist list again in 2011! Great job ARW!
